To Mother Nature

Poem by Kapuwu, the spirit of the rock
Dedicated to the Gulf of Mexico

Mother Nature
I send you energy,
That might empower Your withstanding strength
Remain!
Your time hasn't come yet.

Mother Nature
Remind the Great Spirit's singing.
There You find strength.
Remain!
Your time hasn't come yet.

Mother Nature
don't get confused by the impulses
oppressing You now.
I send You helping thoughts
Remain!
Your time hasn't come yet.

Mother Nature
Remind the easy footsteps of earlier times.
They give You strength to bear this time's hard footsteps.
Remain!
Your time hasn't come yet.

Mother Nature,
I send You hope.
I send You love.
I send You withstanding strength.
It might give You the Power to succeed.

Mother Nature,
I beseech the Creating Spirits,
I beseech the Lord Christ:
Help this country, to endure patiently.
