

Aphorism XXIII Concerning the Interpretation of Nature and the Kingdom of Man. Fr. Bacon.

1cm. ≈ 1/15 sek.

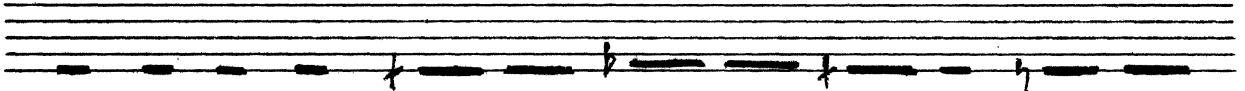

There is a great dif-fe-rence be-tween the 1-dots of the

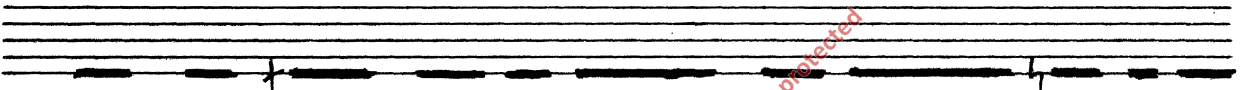

hu-man mind and the 1-do-as of the di-vine.

and the true sig-na-tures and marks set u-pon

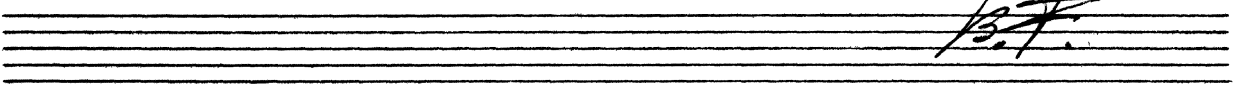

the works of cre-a-tion as they are found in

na-ture.
