MOSTRASUITE

er ein konsertversjon av Mostraspelet (musikk til sogespelet "Kristkongane på Moster" av Johannes Heggland, 1983). Det kan soleis innleiingsvis høva å gje ei lita skisse over handlinga i spelet.

HANDLINGA I MOSTRASPELET

er lagd til tidsperioden 995-1024. Olav Trygvason kom siglante frå Dublin via Hebridane og Orknøyane til Moster i år 995 med føremålet å verta norsk konge og kristna folket. Snorre seier:

«*Olav seglar så austetter i lag med Tore (Klakka) med fem skip. Fyrst til Suderøyane (Hebridane), og sidan til Orknøyane. Jarlen Sigurd Lodvesson låg nettopp med eit langskip i Åsmundarvåg (Osmondwall på øya Hoy) og tenkte å fare over til Katanes (Caithness). I det same kom Olav med sine folk vestafrå inn til øyane og la seg i hamn der, for Petlandsfjorden (Pentland Firth) var ikkje farande. Då kongen fekk vite at jarlen låg der, let han jarlen kalle til seg og ville tale med han. Jarlen kom og ville røde med kongen, og dei hadde ikkje tala lenge før kongen sa at jarlen skulle la seg døype, og likeeins folket hans, eller så døy straks på flekken; kongen sa at han ville fare med eld og oske over øyane og leggja landet i øyde om ikkje folket tok i mot kristendommen. Såleis stelt som jarlen var, valde han å la seg døype, og så vart han døypt med alt det folket som var der hos han. Sidan svor jarlen eiden sin til kongen og vart hans mann, og gav han son sin til gissel. Sonen heitte Kvelp eller Hunde, og Olav hadde han med seg til Noreg. No segla Olav austover havet og kom til lands ved Moster. Der gjekk han først i land i Noreg, og han let syngje messe der i eit landtelt. Sidan vart det bygt ei kyrkje på denne same staden.»*

I fyrste akta møter me folket som lever i si gamle tru. Me opplever møtet mellom den nye kongen og folket, uvissa underkastinga og kravet om å la seg kristna. Høgdepunktet er den fyrste kristne messa på norsk jord. Seinare opplever me fråfallet frå den kristne trua. Den som hissar bøndene opp mot kongen og kristentrua er fyrst og fremst Torolv frå Grindheim.

I andre akta kjem Olav Trygvason attende til Moster, sidan han har hørt at kristendommen er vanvørd av hordar og rygar. Han let lysa til tings i Sunnhordland og vil tukta folket til lydnad mot kongen. Han møter no stor motstand frå bøndene. Kongen har tiltru til synske menn og fer til den gamle, synske mostrabonden på ferda til Svolder. Den synske bonden fortel han den mørke lagnaden som ventar i slaget ved Svolder.

Medan kvaddansen går kverv 30 år. Året er no 1024 og Olav Haraldson (den heilage) kjem til Moster saman med bisp Grimkjell. No vert kristenretten sett på Moster. Men enno lever heidentrua mellom somme og skapar spaning i folket, og mellom dei to som gjennom mange år har hyst kjærleik til kvarandre. (Etter J. Hegglands samandrag i programheftet.)

OPPHAVSMATERIALE

Mostraspelemusikken byggjer i hovudsak på fire eldgamle melodifragment, overleverte til ettertida på ulik vis; nemleg melodien til gudekvadet *Ár var Allda* (Årle i old), den gregorianske antifonen *Accipite iocunditatem*, kvaddansmelodien *Ormulin Langi* (Ormen lange) og kjempekvadmelodien *Hiuggo ver met Hiorvi* (Hardt me hogg med sverdom).

Dei ulike musikkfragmenta vert nytta i ein orden underlagd handlinga i spelet. *Ár var allda* (skapingssoga i Voluspá) utgjer på sett og vis ei "truvedkjenning" for norrøntrua og får soleis gje leiemotiv til dei sterke forsvararane hennar (særskilt Torolv og Gunnbjør gamle) men også til Vigdis som slitst mellom det gamle og det nye.

Antifonen *Accipite iocunditatem* representerer den nye tida som kongsfylget åt Olav Trygvason fører med seg frå England og Irland. Teksten i antifon og introitusvers er halden på latin for å syna at messa med språk og riter var ein heilt framand kultur, uskjønleg for dei fleste i dag som for mostrabuen for tusen år sidan. Det mystiske, magiske og uforståelege i denne nye kulturen, kjem t.d. til uttrykk i trylleformularet *hokus pokus filiokus*, som eigenleg er ei forvanskning av *hoc est corpus filioque* — dette er Kristi (Sonens) lekam frå innstiftingsordna i nattverden.

Kvaddansen *Ormulin Langi* får tena to syfte. For det fyrste framsyner han ein eldgamal norsk songdanstradisjon (i dag mest levande på Færøyane). For det andre omhandlar teksten soga om slagskipet Ormen lange. Kvaddansmelodien vert soleis alltid tilknytt det lagnadstunge, ein spådom om nederlag og undergang.

Hiuggo ver met Hiorvi syner åsatrua sitt tak på folket endå medan kristenretten vert sett på Mostratinget. Kvadet vert sunge medan Torolv er fallen for kongens sverd og vert utboren. Kvadet omtalar løna i Valhall og ølgildet hjå Balder. Og samstundes fallbyr prestane sitt himmelrike — der gjestene skal kledast i kvite kjortlar.

I tillegg er nytta *Fyrri menn at frædin Kunno* or *Lilja* som utgangspunkt for Vigdis' song, *Prædicasti* (1200-tallet), frå Olavsmusikken i Nidaros, samt ein del messeledd, (*Kyrie, Gloria* og *Ite missa est*) frå Graduale Romanum.

The musical notation consists of two staves of music with lyrics written below them in Old Norse. The first staff starts with 'Ar var Allda pa Ymir bugdi vara sande ne sian ne'. The second staff continues with 'Svalar unnir Tord var ova Neu-phim-min Gap var Ginnunga' and ends with 'Enn gras hyergi.' The music is in common time with various note heads and rests.

Ár var Allda-melodien slik den står oppført i J. B. de la Bordes leksikon
Essai sur la musique ancienne et moderne, Paris 1780

ÅR VAR ALLDA (Årle i old)

Melodien er overlevert til ettertida gjennom eit verk frå 1780 av den franske forfattaren J. B. de la Borde: *Essai sur la musique ancienne et moderne* og er oppført under kapitlet *Chansons ancienne Scandinaives, comme on les chante encore en Islande* (gamle skandinaviske songar, slik ein enno syng dei på Island.) La Borde hadde fått melodiane frå den dansk-tyske musikaren Johann Ernst Hartmann som noterte opp etter "hin lærði Islendingur" Jón Ólafsson. Melodien til Ár var Allda er særskilt oppbygd, og det er mykje som tyder på ein høg alder. Men om han er like gammal som teksten (gudkevadet Voluspá, Eldre Edda, 9. århundre) er tvilsamt. Somme forskrarar påpeikar likskap mellom denne melodien og gregorianske lamentasjonar under langfredagsliturgien. Andre meiner at Voluspá har vorte til under påverknad av (eventuelt forsvar mot) den framvinnande kristendommen. I alle høve er det visst at katolsk kyrkjesong har hatt stor innverknad på mellomaldersk folketonekunst. Ár var Allda utgjer tredje strofa i Voluspá. I herverande kontekst vert óg dei tre fylgjande strofene tonesette av same melodien (noko tillempa grunna vantande konsekvens i rytmeforholdet).

*Ár var Allda thar er Ymir byggði
vara sandr né sær, né svalar unnir;
Jörd var æva né upphiminn;
gap var Ginnunga, en gras hyergi.*

Årle i old var det Yme bygde;
var ei sand eller sjø eller svale bylgjer;
Jord var ikkje, upphimmel ikkje;
var Ginnunga gap, men gras var ikkje,

*Áðer Burs synir bjóðum um Ypdo
their er Miðgard mæran skópo;
Sól skein suynnan ú salar steina,
sá var grund gróin grønum lauki.*

før Burs søner baud børar seg lyfte
dei som Midgard mætan skapte.
Sol skein sunnan pås steinar i sal,
då grodde grunnen med grønan lauk.

*Sól varp sunnan sinni mána
hendi inni hægri um himinjóður;
sól sat né vissi hvar hón sali átti,
máni sat ne vissi hvat hann megin átti.*

Sol kom sunnan, syster åt månen,
slo høgre handi om himmelhestar.
Sol ikkje visste kvar salar ho åtte,
måne ei visste kvar makt han åtte.

*Thá gengo regin óll á rökstóla,
ginnheilog god, ok um sat gættuz;
nótt ok niðjom nofn im gófo,
morgin heto ok miðjan dag.*

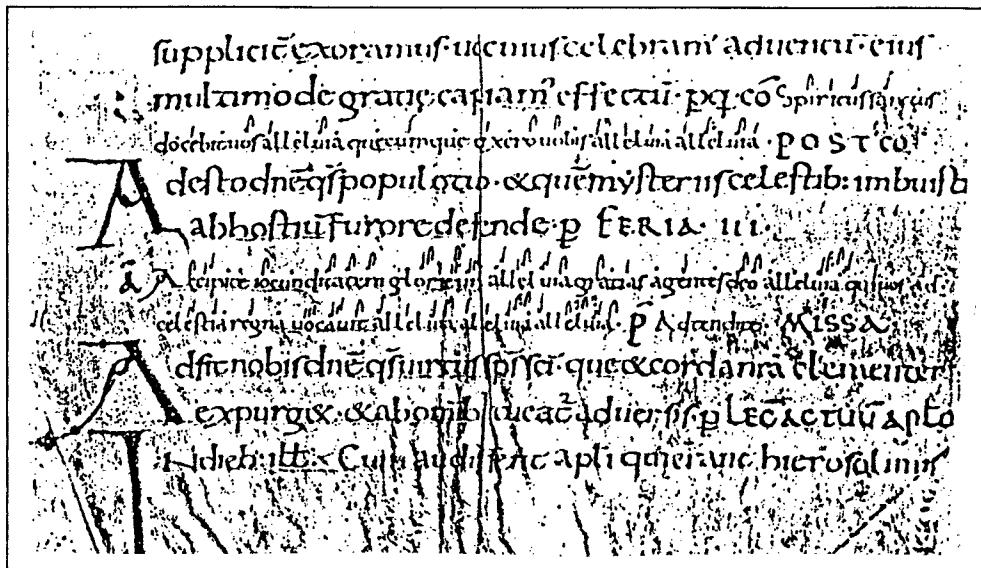

Gudar alle på tingstolar gjekk;
dei høgheilage heldo rádlag:
natt og near namn dei gåvo,
og morgen likeins og middagsleite.

*Hittoz æsir á Idavelli
their er hórg ok hóf hátimbroðo;
afla lópdo aud smidodo
tangir skópo ok tól gørðo.*

So hittast æser på Idavollen,
horger og hov høgt dei timbra.
Dei avlar gjorde og eigner smidde;
dei tenger laga og tólar gjorde.

*Thá gengo regin óll á rökstóla,
ginnheilog god, ok um sat gættuz;
nótt ok niðjom nofn im gófo,
undorn og aftan til år å rekne.*

Gudar alle på tingstolar gjekk;
dei høgheilage heldo rádlag:
natt og near namn dei gåvo,
undorn og aftan, til år å rekne.

Antifonen *Accipite iocunditatem* i originalutgåva (frå det 10. århundre),
med irsk-angelsaksiske neumer og karolingske bokstavar

ACCIPITE IOCUNDITATEM GLORIAE VESTRAE (Tak i mot dykker herlegdoms glede)

I 1847 vart det oppdaga leivningar etter mellomalderlege musikkhandskrifter i Riksarkivet i Oslo (P. A. Munch). Det gjekk 60 år før komponisten Johannes Haarklou i ein artikkel i Dagbladet (10. april 1904) tok til orde for ei undersøking av arkivet sine musikkpergament. Musikkforsken Georg Reiss gjekk i gang med arbeidet. Musikkmanuscripta var restar av tildels praktfullt utstyrt latinske missaler, gradualer, sekventiarer og andre liturgiske böker som har vore nytta i den norske kyrkja i mellomalderen. Fragmenta hadde fått tena som omslag kring fute- og sorenskrivarreknskapsböker som i tida kring 1600-1650 vart sende til Rentekammeret i København. For samtidia hadde dokumenta ingen verdi; ein såg det heller som ei stor teneste å øydeleggja alt som kunne minna om papismens dagar. Men praktisk sans hadde dei i alle høve; dei sterke skinnblada i dei solide bökene vart nytta til innbinding; somme vart endå oppskorne i strimler til ryggbind eller i små stykke til merkelappar. I overvegande grad er det lensherrane rundt ikring som kan skuldast for barbariet.

Endå kan det innvendast at me neppe hadde hatt noko att av denne skatten om ikkje lensherrane hadde gjort denne bruken av dei kostelege bökene. Membranane ville då kan henda vore brende eller gjevne til tøyhuset i København for å nyttast som kardus i kanoner og gevær eller dei ville vore nytta som tetningsmateriale i bygningar, støvlelær o.l. Etter at Noreg skilde lag med Danmark i 1814 vart storparten av dei norske reknapsbökene attendeførte til Noreg og plasserte i Riksarkivkjellaren.

Med utgangspunkt i den nyvunne metoden å tyske professor dr. Oskar Fleischer (*Neumenstudien*, 1895) dechifferte Georg Reiss somme av neumehandskriftene i tida 1904-07. Det synte seg at dei eldste av pergamenta skreiv seg heilt frå det 10. århundre; frå tida like før kristendommen vart innført i Noreg. Mellom desse pergamenta fanst antifonen *Accipite iocunditatem gloriae vestrae*. Reiss framheld at neumene er irsk-angelsaksiske, medan tekstbokstavane har karolings form, og han tenkjer seg at denne codex er forsynt med neumer i England og at Olav Trygvason sine engelske geistlege har hatt boka med seg til Noreg. Manuscriptet har vore ein codex i folio av stort omfang (eitt av blada ber romertal 210). Dei ulike delene har lege kring reknskapar frå Telemark, Bamble og Vembe frå åra 1619 til 1624 og er deretter venteleg ekspederte til København frå lensherren i Bratsberg og Vembe.

Satsen er ein antifon til introitus og har soleis vore sungen av koret til inngang *feria tertia post pentecosten*; tredje dag (tysdag) etter pinse. Melodien frå opninga og fram til *vocavit* tilhøyrer 2. kyrkjetone (1. plagale) medan siste delen står i 1. kyrkjetone (1. autentiske). Tonen er soleis ein *tonus mixtus* av modus I.

Tekstkjelda var ikkje gjeven, og det vart eit ganske omfattande arbeid først å fastslå at den ikkje er ein bibeltekst; og sidan å finna at han er henta frå ei av dei apokryfiske bökene, 4. Esra 2,37. I denne samanhengen er han kopla saman med Salme 78,1 og lyder i norsk omsetjing omlag slik:

*Attendite popule meus, legem meam
incline aurem vestram in verbaoris mei.*
(Psalmus 78,1)

Lyd mitt folk på mi lære,
wend øyra til orda frå min munn!
(Salme 78,1)

*Accipite iocunditatem gloriae vestrae
gratias agentes Deo
qui vos ad celestia regna vocavit
Alleluia. (IV Esdrae 2,37).*

Tak i mot dykker herlegdoms glede
i takk til Gud
han som har kalla dykk til sitt himmelske kongerike.
Halleluja. (4. Esra 2, 37).

The musical score consists of four staves of music in common time, featuring a mix of soprano and bass voices. The lyrics are written below each staff in Old Norse. The first staff begins with 'Fyrri menn at frædin Kunno'. The second staff continues with 'sungo miukt af sinum kongum flungit Lof a danska-tun-gu'. The third staff starts with 'ok i polli-ko Modr malif meir Skyldumz ec'en nockr peira Hrcerdan'. The fourth staff concludes with 'dict af astar ordum Allsyaldanda Kongt at Gialda.'

FYRRI MENN AT FRÆDIN KUNNO (Lenge sat eg i Vetahaugen — Vigdis' Song)

I samband med ein ny gjennomgang av spelet i 1988, vart det framsett ynskje om ein song for Vigdis. Eg fann det då naturleg å søkja attende til dei same kjeldene som gav dei fire ovannemnde grunnpilarane. Som om den berre hadde lege der og venta, openberra tonen seg, sår og lengtande i det same leksikonet (J. B. de la Borde); *Fyrri menn at frædin Kunno* (or *Lilja*). Tonen skil seg sterkt ut frå dei hine to m.a. ved eit særmerkt forminska kvartintervall.

Teksten høvde ikkje på same vis, så melodien laut tilkoplast ein ny tekst. Etter gransking i ei mengd skalde-, helte-, og kjempekvad, fann eg eit par kvad som omhandla kjærleiken, (elles er det lite av det slaget i denne litteraturen); heltekvaða *Fjolsvinnsmål* og *Holmgangs-Berse*.

Kjærleikskvadet Holmgangs-Berse (ca. 980!) er utforma som ein dialog mellom Kormak og Steingerd, og inneheld m.a. desse strofene: «*lyfta blikket mot meg / Meg og møyā, spår eg / mein vil desse augo, / strålande, skinande bringa / — gje oss begge sorg*» og vidare: «— *i draume hugsar eg henne / som ber halsband av rav*» (I vår versjon lett lempa til «han som ber armring i sylv.»)

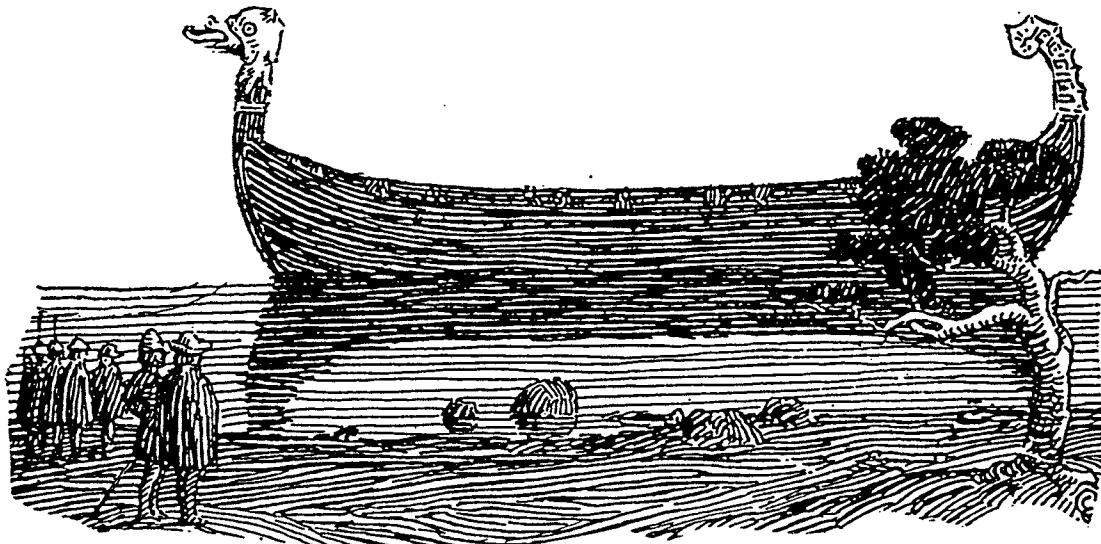

I heltekvaðet *Fjolsvinnsmål* finn ein m.a. desse strofer (her er det Menglod som talar): «... *kvar la du ferda / sei kva du heitte i heim! / Av ætt og namn / kan eg jærtéikn henta / om eg skal deg til hustru helgast.*» Vidare finn ein utgangspunktet for tittelverset: «*Lenge eg sat på Lyyjaberg her / bia på deg i døgn og dagar.*»

Ved å skjera ut liner or desse to kvada, og samankopla dei gjennom varleg tillemping av versemål og innhald, samt innføying under mellomaldermelodien *Fyrri menn at frædin Kunno*, so vart Vigdis' song til:

1 Lenge sat eg i Vetahaugen,
bia på deg i døgn og dagar.
Kor eg stundar! Vil det henda
at du kjem, min ven, til meg?
Kvar er du faren, kvar legg du ferda?
Sei kva du heitte i heim!
Av ætt og namn kan eg jærtéikn henta,
om eg skal deg til hustru helgast.

(resitert):
Blålandets brott gnyr,
bruser mot stranda sine bratte fjellhamrar,
bylgjene fer frådande ut frå storhavet.

2 Bylgjeglansen valdar meg sakn
så snart eg vaknar. For i draume
hugsar eg han som ber armring i sylv.
Ofte ter det seg slik i svevnen
at eg kjenner armen din om meg.
Lyfta blikket mot meg, Torolv!
Mein vil desse strålande augo bringa;
gje oss begge sorg!

ORMURIN LANGI (Ormen lange)

er ein færøysk kvaddansmelodi i tallause variantar. Herverande utkast er oppskrive etter bandopptak av Astrid Luihn i hovudoppgåva *Føroyisk dansur. Studier i sangtradisjoner på Færøyene*. Varianten har mykje til felles med fleire andre oppskrifter, men eig mindre slektskap med den mest kjende norske forma.

Teksten har, som dei fleste færøydansane, mengder av strofer, 85 i talet. Av desse føreligg dei 13 første i omsetjing av Per Sivle. Desse 13 versa vart nytta i Mostraspelet dei fyrste åra. Versa skildrar bygginga av skipet, hyring av mannskap (mellan andre Einar Tambarskjelv) og førebuingane fram til dei dreg skipet or naustet og fer til havs. Men færøyvisa sluttar ikkje der; ho gjev heile soga fram til skipet går under i slaget ved Svolder og kongen spring i havet med sine menn.

For å gje ytterlegare liv og dramatisk innhald til kvaddanssekvensen, var det freistande å henta inn fleire sentrale vers or denne soga, og ved omarbeidinga i 1988 gjorde underteknna ei norsk tilrettelegging av færøystrofene 31, 38, 57, 70, 71, 72, 73, 74, 83 og 84. Sidan det framleis vert sungne 13 strofer (og ikkje 85), fekk ti av Sivles strofer utgå; att står strofene 1, 2 og 13 som dei tre innleiande.

1 *Viljið tær hoyra kvæði mitt,
viljið tær orðum trúgvá,
um hann Ólav Tryggvason,
hagar skal ríman snúgvá.*

Niðurlag:
*Glymur dansur i hóll,
dans sláð í ring!
Glaðir riða Noregis menn
til hildarting.*

2 *Kongurin letur snekkju smíða
har á slóttum sandi;
Ormurin langi störstur var,
sum gjørðist á Noregis landi.*

13 *Vundu upp síni silkisegl,
út i havid ganga;
so er sagt, at kongurin
hann styrði Orminum langa.*

1 Og vilja de høyra kvedet mitt
og vilja de ordi tru
om han Olav Tryggvason
skal songen her seg snu

Omkved:
Dansen glyme i halli,
so dansa i ring!
Glada rida Noregs menn
til Hildar ting.

2 Og kongen let seg ei snekkje bygge
bortpå den slette sand;
Ormen lange, det største skip
som bygdest i Noregs land.

13 So vundo dei opp sine silkesegl
vinden å taka i fanget,
so er det sagt at kongen sjølv
han styrde Ormen lange.

31 *Ólavur siglir í Eysturhavi,
ætlar heim at fara;
tá ið hann kom i Øyrasund,
hann sær ein skipaskara.*

38 *Dannimarks kongur og Svøríkis kongur
halda á skefti reyða:
“Eirikur jallur sæddur er
at hevna sín fadirs deyða!”*

57 *Høgdu og stungu Noregis menn
bædi við svørð og spjóti,
títt so fullu teir svensku menn,
sum grasið fykur av gróti.*

70 *Einar spenti boga sinni,
ætladi jall at raka,
tá brast strongur av stáli stinna,
í boganum tók at braka.*

71 *Allir hoyrdu streingin springa,
kongurin seg forundrar:
“Hvat er tað i mínum skipi,
so ógvuliga dundrar?”*

72 *Svaraði Einar Tambarskelvir
—kastar boga sín—:
“Nú brast Noregi úr tínum hondum,
kongurin, harri míni!”*

73 *“Í Harrans hond mitt riki stendur
og ikki í Tambarboga;
tak tær ein av mínum bogum,
vita, hvat teir duga!”*

74 *“Veikir eru kongsins bogar!”
Einar ræður at svara,
“eg skal taka upp skjöld og svørð,
og høgg skal eg ikki spara!”*

83 *Kongurin rópar i lyftingini:
“Nú er tap í hendi;
leypið i havið, mírir menn,
her verður ei góður endi!”*

84 *Kongurin leyp i havið ut,
garpar eftir fylgdu,
kongsins bróður síðstur var,
teir gjørdu, sum kongurin vildi.*

Niðurlag:
*Glymur dansur í høll,
dans sláð i ring!
Glaðir riða Noregis menn
til hildarting.*

31 Og Olav sigilde i Austerhavet,
etla seg heim att fare.
Då han kom i Øresundet
såg han ein skipaskare.

38 Ja, Dannemarks og Sveriges konung
heldt seg ved skjefti reide.
Eirik jarl var girug på
å hemna sin faders daude.

57 So hogg og stunga dei Noregs menn
både med sverdi og spjoti;
titt so falla dei svenske menn
som graset fyka av groti.

70 Men Einar han spende bogen sin
og etla seg jarlen å ráka.
Brast då beste bogen i landet;
i bogen høglydt det braka.

71 Ja, alle høyrde bogen bresta;
kongen seg forundra:
“Kva er det som i skipet mitt
so ofseleg mun dundra?”

72 Då svara Einar Tambarskjelve,
— kasta bort bogen sin —:
“Noreg ut or hendene dine,
Herre, konungen min!”

73 “I Herrjens hand mitt rike stend
og ikkje i Tambarboga!
Her, tak ein av mine bogar
og syn kva den kan duga!”

74 “For veik, for veik er kongens bøge!”
Einar rødde og svara;
“eg skal taka opp skjold og sverd
og høgg skal eg ikkje spara!”

83 Då ropa kongen i lyftingi:
“No er det tap i hende!
Spring ut i havet, mine menn;
her vert ein usæl ende!”

84 Og kongen han sprang i havet ut,
karane etter fylgde
kongens brør og frendar dei var,
dei gjorde som kongen vilde.

Omkved:
*Dansen glyme i halli
so dansa i ring!
Glada rida Noregs menn
til Hildar ting!*

HIUGGU VER MET HIORVI (Hardt me hogg med sverdom)

Denne melodien er óg henta frå J. B. de la Bordes *Essai sur la musique ancienne et moderne*, (Paris 1780). Melodien har mange sams trekk med Ár var Allda og er like primitiv i forma (toneomfangen er i båe høve ein kvart med leitetone). Det er soleis mykje som tyder på at melodien er omlag like gammal som Voluspá-melodien. Teksten er her eit kjempekvad (heltekjedikt) frå Krákumál som omhandlar helten Ragnar Lodbrok. Versemålet er drottkvæd háttlausa (den mest høgståande forma innan skaldediktninga). *Hiuggu ver met hiorvi* eller *Hjuggu ver med hiorvi* (det franske musikkverket nyttar ein noko spesiell ortografi) utgjer 25. strofe i kvadet som til saman har 29 strofer.

I Mostraspelet vert strofene 25 og 29 nytta i samband med at Torolv vert hoggen ned og drepen av ein av mennene i kongshirda. Strofe 28 var óg opphavleg tenkt med, men laut ut av omsyn til stoffmengda i spelet. Teksten i denne strofa har i likskap med dei to hine slåande samanfall med soga i Mostraspelet, m.a. kunne desse orda leggjast i Torolvs munn: «*Ung eg odd let raudna, aller minst eg tenkte at eg kunde i kappstrid med kongar ein overmann finna.*»

Teksten er omsett av Lars Eskeland.

Hiuggo ver met Hioryi Hitt lægir mig Jafnan at
Balldrs fodr becki buna veit ec - at sum lum Drekúma
bior at bragdi ör biugvidum hausa Ei - gi kem ecmet
ædro ord til vidris hallar.

*Hjuggu ver med hiorvi
hitt lægir mik jafnan,
at Baldurs fôdur bekki
búna veit ek at sumblum.
Drekum bjór at bragdi
ór biugvidum haus.
Eigi kem ek med ædru
ord til Viðris hallar.*

*Fysumst hins at hætta,
heim bjóða mér disir,
ther'r ör Herjans höllu
hefur Ódinn mér sendar.
Gladr man'k öl med Ásum
i öndvegi drekka.
Lifs eru lððnar stundir
læjandi skal ek deyja.*

Hardt me hogg med sverdom!
Hugnad er å vita;
Balders faders benkjer
budde alt til gilde.
Heime hjå den høge
herfader øl me drikka
or djupe dyrehorni;
for dauden syter eg inkje.

Herfrå meg hugar å fara.
Heim bjoda meg diser
som frå høge herfars
hall meg Odin sende.
Glad eg øl med æsom
i andvegen drikka.
Livs stunder er lidne;
læande skal eg døya!

I spelet er strofe 25 sungen i heilskap, medan einskildvers av strofe 29 vert sett opp mot apokryfeteksten frå antifonen *Accipite iocunditatem*. I framhaldet — 4. Esra 2,38-39 står nemleg desse orda, som óg fekk høva godt i heilskapen som motsats eller “alternativ” til ovanståande strofer:

*Surgite et state et videte numerum
signatorum in convivio Domini.*

Reis dykk, stå opp og sjå alle dei
som har motteke Herrens teikn og sit i hans gjestebod.

*Qui sede umbra sæculi transtulerunt
splendidas tunicas a Domino acceperunt.*

Dette er dei som har sloppe unna verdsmørkret
og som Herren har kledd i skinande kjortlar.

PRÆDICASTI, DEI CARE (Olav konge, Guds utvalde)

Ved Olav Haraldsons inntog vert óg nytta den utjamna versjonen av *Prædicasti, Dei care* (1200-talet) frå Olavsmusikken i Nidaros. Denne sekvensen utgjorde sameleis ein del av det ovannemnde Riksarkivmaterialet. Teksten er her attgjeven (noko fritt omsett) av Erik Eggen:

<i>Prædicasti, Dei care, nobis tempus salutare, tempus quod est gratiae. Terogamus, nos exaudi assistentes tuæ laudi omni quarta feria.</i>	Olav konge, Guds utvalde! Til omvending du oss talde, lova oss ei miskunns tid. Vi deg bed; du må oss høyre; må vår losvong nå ditt øyre på kvar fjerde vekedag.*)
---	---

I Mostraspelet er elles nytta messeledd, (Kyrie eleison, Gloria og Ite missa est) frå Graduale Romanum.

This page contains 119 measures of musical notation for a full orchestra. The instrumentation includes Piccolo, Flute, Oboe, Clarinet, Bassoon, Double Bassoon, Horn, Trombone, Bass Trombone, Bassoon, Tuba, Percussion I (Temple Blocks), Percussion II, Timpani, Choir, Bassoon, Violin I, Violin II, Viola, Cello, and Double Bass. Measure 119 starts with a dynamic of $\bullet = 84$. The score shows various musical events, including melodic lines for woodwind instruments like Flute, Oboe, Clarinet, and Bassoon, harmonic patterns for brass like Trombone and Bass Trombone, rhythmic patterns for Percussion, and sustained notes or chords for strings like Violin and Cello. Dynamics such as *pp*, *p*, and *con sord.* are indicated throughout the score. A large watermark 'NB noter' with a red diagonal line through it is overlaid across the middle of the page, and a red diagonal line also runs through the text 'This music is copyright protected'.

D. B.

This is a musical score page from a symphony or similar orchestral work. The page contains ten staves of music, each with a different instrument listed on the left. The instruments are Picc., 2 Fl., 2 Ob., 2 Clar., Bas., D. Bas., 2 Hns., 2 Trp., 2 Trb., B. Trb., Tuba, Perc. I, Perc. II, Timp., Choir, Bar., Vln. I, Vln. II, Vla., Vlc., and D. B. The music is in common time (indicated by '2') and consists of four measures. Measure 1: Picc., 2 Fl., 2 Ob., 2 Clar., Bas., D. Bas., 2 Hns., 2 Trp., 2 Trb., B. Trb., Tuba, Perc. I, Perc. II, Timp., Choir, Bar. all rest. Measure 2: Picc., 2 Fl., 2 Ob., 2 Clar., Bas., D. Bas., 2 Hns., 2 Trp., 2 Trb., B. Trb., Tuba, Perc. I, Perc. II, Timp., Choir, Bar. play eighth-note patterns. Measure 3: Picc., 2 Fl., 2 Ob., 2 Clar., Bas., D. Bas., 2 Hns., 2 Trp., 2 Trb., B. Trb., Tuba, Perc. I, Perc. II, Timp., Choir, Bar. play eighth-note patterns. Measure 4: Picc., 2 Fl., 2 Ob., 2 Clar., Bas., D. Bas., 2 Hns., 2 Trp., 2 Trb., B. Trb., Tuba, Perc. I, Perc. II, Timp., Choir, Bar. play eighth-note patterns. Dynamics include 'f' (fortissimo), 'mf' (mezzo-forte), 'mp' (mezzo-pianissimo), and 'p' (pianissimo). Measure 4 ends with a dynamic 'ff' (fortississimo) for the strings (Vln. I, Vln. II, Vla., Vlc., D. B.). Measure 5 begins with a dynamic 'f' for the strings.

Musical score for orchestra and choir. The score includes parts for Piccolo, 2 Flutes, 2 Oboes, 2 Clarinets, Bassoon, Double Bass, 2 Horns, 2 Trombones, Bass Trombone, Tuba, Percussion I (Cymbals heavy), Percussion II (Maracas), Timpani, Choir, Bassoon, Violin I, Violin II, Viola, Cello, and Double Bass. Measure 9 starts with dynamic ff. Instruments play eighth-note patterns. Measures 10-11 show various dynamics (f, mf, ff) and rhythmic patterns. Measures 12-13 continue with eighth-note patterns and dynamics. Measures 14-15 conclude with eighth-note patterns and dynamics. Measures 16-17 begin with dynamic ff. Measures 18-19 conclude with eighth-note patterns and dynamics. Measures 20-21 begin with dynamic ff. Measures 22-23 conclude with eighth-note patterns and dynamics. Measures 24-25 begin with dynamic ff. Measures 26-27 conclude with eighth-note patterns and dynamics. Measures 28-29 begin with dynamic ff. Measures 30-31 conclude with eighth-note patterns and dynamics. Measures 32-33 begin with dynamic ff. Measures 34-35 conclude with eighth-note patterns and dynamics. Measures 36-37 begin with dynamic ff. Measures 38-39 conclude with eighth-note patterns and dynamics. Measures 40-41 begin with dynamic ff. Measures 42-43 conclude with eighth-note patterns and dynamics. Measures 44-45 begin with dynamic ff. Measures 46-47 conclude with eighth-note patterns and dynamics. Measures 48-49 begin with dynamic ff. Measures 50-51 conclude with eighth-note patterns and dynamics. Measures 52-53 begin with dynamic ff. Measures 54-55 conclude with eighth-note patterns and dynamics. Measures 56-57 begin with dynamic ff. Measures 58-59 conclude with eighth-note patterns and dynamics. Measures 60-61 begin with dynamic ff. Measures 62-63 conclude with eighth-note patterns and dynamics. Measures 64-65 begin with dynamic ff. Measures 66-67 conclude with eighth-note patterns and dynamics. Measures 68-69 begin with dynamic ff. Measures 70-71 conclude with eighth-note patterns and dynamics. Measures 72-73 begin with dynamic ff. Measures 74-75 conclude with eighth-note patterns and dynamics. Measures 76-77 begin with dynamic ff. Measures 78-79 conclude with eighth-note patterns and dynamics. Measures 80-81 begin with dynamic ff. Measures 82-83 conclude with eighth-note patterns and dynamics. Measures 84-85 begin with dynamic ff. Measures 86-87 conclude with eighth-note patterns and dynamics. Measures 88-89 begin with dynamic ff. Measures 90-91 conclude with eighth-note patterns and dynamics. Measures 92-93 begin with dynamic ff. Measures 94-95 conclude with eighth-note patterns and dynamics. Measures 96-97 begin with dynamic ff. Measures 98-99 conclude with eighth-note patterns and dynamics.

This page contains a complex musical score for orchestra and choir. The score is divided into several systems, each starting with a measure number (43, 44, 45, 46, 47, 48, 49, 50, 51) and ending with a repeat sign. The instruments listed include Picc., Flutes, Oboes, Clarinets, Bassoon, Double Bass, Horns, Trombones, Bass Trombone, Tuba, Percussion I, Percussion II, Timpani, Choir, Bassoon, Violin I, Violin II, Viola, Cello, and Double Bass. The vocal line from the Choir staff includes lyrics: 'qui vos ad ce - le - sti - a reg -'. Various dynamics like pp, mp, and mf are indicated. Measure 43 begins with a dynamic of pp. Measures 44-45 show the choir singing. Measures 46-47 feature the violins playing eighth-note patterns. Measures 48-49 show the bassoon and double bass providing harmonic support. Measures 50-51 conclude with sustained notes.

Musical score for orchestra and choir. The score includes parts for Piccolo, Flute, Oboe, Clarinet, Bassoon, Double Bass, Horn, Trombone, Bass Trombone, Bass Trombone, Tuba, Percussion I, Percussion II, Timpani, Choir, Bassoon, Violin I, Violin II, Viola, Cello, Double Bass, and Organ. The score consists of several systems of music, each starting with a dynamic instruction (e.g., f, ff) and a tempo marking (e.g., 146). The vocal parts (Choir and Bassoon) have lyrics written below the staff. A large gray diamond-shaped watermark with the text "N.B. This music is copyright protected" is overlaid across the middle of the page.

This musical score page contains six systems of music. The first system includes Piccolo, 2 Flutes, 2 Oboes, 2 Clarinets, Bassoon, Double Bassoon, and Bass. The second system includes 2 Horns, 2 Trombones, 2 Trombones, Bass Trombone, Tuba, and Percussion I. The third system includes Percussion II and Timpani. The fourth system includes Choir and Mezzo-Soprano. The fifth system includes Violin I, Violin II, Viola, Cello, and Double Bass. Measure numbers 27 are indicated above each system. Dynamic markings such as *p*, *pp*, and *mp* are present. The vocal line in the fourth system has lyrics: "hug - sar eg han som ber arm - ring i sylv. Of - te ter det seg slik i svev - nen at eg kjen - ner". The score concludes with a dynamic marking of *mp*.

This is a musical score page from a symphony or similar orchestral work. The page is numbered 86 at the top left. It features ten staves of music, each with a different instrument listed to its left. The instruments are Piccolo, 2 Flutes, 2 Oboes, 2 Clarinets, Bassoon, Double Bass, 2 Horns, 2 Trombones, Bass Trombone, Tuba, Percussion I, Percussion II, Timpani, Choir, Bassoon, Violin I, Violin II, Viola, Cello, and Double Bass. The music is divided into four measures. Measures 1 and 2 are mostly rests. Measure 3 begins with dynamic markings: 'mf' for Piccolo, 2 Flutes, Bassoon, Double Bass, and 2 Trombones; 'f' for 2 Oboes, 2 Clarinets, 2 Horns, Bass Trombone, Tuba, Percussion I, and Percussion II; and 'mf' for Timpani. Measure 4 continues with dynamics: 'f' for Piccolo, 2 Flutes, 2 Oboes, 2 Clarinets, Bassoon, Double Bass, 2 Trombones, Bass Trombone, Tuba, Percussion I, and Percussion II; and 'mf' for 2 Horns, Bass Trombone, and Double Bass. The score includes various musical notation elements such as eighth and sixteenth notes, rests, and dynamic markings like 'f' (fortissimo) and 'mf' (mezzo-forte). The page is filled with musical symbols and rests, indicating a complex and rhythmic piece of music.

This is a musical score page from a symphony or similar orchestral work. The page contains ten staves of music, each with a different instrument listed on the left. The instruments are Piccolo, 2 Flutes, 2 Oboes, 2 Clarinets, Bassoon, Double Bassoon, 2 Horns, 2 Trombones, Bass Trombone, Tuba, Percussion I, Percussion II, Timpani, Choir, Bass, Violin I, Violin II, Viola, Cello, and Double Bass. The music is in common time, with a key signature of one sharp. Measure 88 begins with a dynamic of piano (p). The first section of the score consists of woodwind and brass instruments, followed by a section featuring percussion and bassoon. The choir and bass enter in the middle of the page. The final section at the bottom features strings (Violins, Violas, Cellos, Double Bass) playing eighth-note patterns. Various dynamics are indicated throughout, including mezzo-forte (mf), forte (f), and fortissimo (ff). Articulation marks like '>' and 'p' are also present. The page ends with a dynamic of piano (p) and a measure ending with a fermata over three measures, followed by a dynamic of pianississimo (pp).

The musical score consists of six systems of staves. The first system includes Picc., 2 Fl., 2 Ob., 2 Clar., Bas., and D. Bas. The second system includes 2 Hns., 2 Trp., 2 Trb., B. Trb., Tuba, Perc. I, and Perc. II. The third system includes Tim., Choir, and Bar. The fourth system includes Vln. I, Vln. II, Vla., Vlc., and D. B. Measure 110 begins with rests for most instruments, followed by dynamic markings f, f, mf, c, c, and c respectively. The 2 Hns. play eighth-note patterns. The 2 Trp. play eighth-note patterns at mf. The Tuba plays eighth-note patterns. Perc. I and Perc. II play eighth-note patterns at mp and mf. The Tim. plays eighth-note patterns at mf. The Choir sings the lyrics provided. The Vln. I, Vln. II, Vla., Vlc., and D. B. play eighth-note patterns at mp, mf, mf, mf, and ff respectively. The score is in common time, with various clefs (G, F, C) and key signatures (no sharps or flats).

The musical score consists of six systems of staves. The first system includes Piccolo, two Flutes, two Oboes, two Clarinets, Bassoon, Double Bassoon, and two Horns. The second system includes two Trombones and two Trombones/Bass Trombones. The third system includes Percussion I, Percussion II, Timpani, and Solo Voice. The fourth system includes Choir. The fifth system includes Violin I, Violin II, Cello, Double Bass, and Double Bassoon. Measure 162 begins with sustained notes followed by eighth-note patterns. Measures 163-164 show various dynamics (mp, p, sfz) and rhythmic patterns. Measures 165-166 feature sixteenth-note patterns. Measures 167-168 include dynamic markings like f, mf, and sfz. Measures 169-170 conclude with sustained notes and eighth-note patterns.

This music is copyright protected

The musical score consists of ten staves of music. The first section includes Piccolo, 2nd Flute, 2nd Oboe, 2nd Clarinet, Bassoon, Double Bass, 2nd Horn, 2nd Trombone, Bass Trombone, Tuba, and two sets of Percussion (I and II) and Timpani. The second section includes Violin I, Violin II, Cello, Double Bass, and a Choir. Measure 122 begins with a dynamic of *mp*. The vocal line starts with "Bal-ders fa-ders" followed by "ben-kjer bud-de alt til gil-de." The choir enters with "Sur-gi-te et sta-te et vi-de-". The instrumentation includes *Metal Chimes*, *p*, *pp*, *f*, and *mf*. The vocal line continues with "Bal-ders fa-ders ben-kjer bud-de alt til gil-de." The section concludes with a dynamic of *mp*.
