shulammite (b)

for viola, cello and piano

Tze Yeung Ho (2016)

Duration: ca. 6'

Composer's notes:

Continuing on the idea of fragmented memories from *Song of Songs*.

Completed on 20.11.16 in Oslo, Norway.

Performance notes:

Each string player has a played line and a spoken line. The two consonants used in the spoken line are taken from the standard International Phonetics Alphabet; therefore, performers unfamiliar with the system may find recording of the consonant (ç) online which represents the voiceless palatal fricative (i.e. the 'kj' sound in Norwegian or Swedish) where there is no equivalence in English.

The violist and the cellist are to be seated facing each other.
