BØLGER | STILLE is written
for 2 pianos, but can also be
played as 4 - hands.

DURATA : approx. 10 min.

There is no given tempo
in this piece. The tempos are to be
defined by the performers

BØLGER | STILLE
is written on commission
from the Community School of
Music in Oslo, with funds from
The Norwegian Cultural Committee.

Notes :

Part 1.:

The first lines are to be played in *individual* tempo, not synchronized, and the dotted line marks the starting point for Piano 1.

Then the 1. Piano 1 has to wait for Piano 2 on the e2-tremolo in the second system. When they both have arrived on the e2-tremolo, *then* use 10-15 seconds on the ritardando. This rit. must change from as fast as possible to *extremely* slow .

Part 3.:

Exaggerate all acc./ rit.-figures, both in speed and dynamics.

Part 4.:

This part must be played in strict (metronomical) rhythm.

The section marked *poco á poco rit. é dim.* is supposed to be longer than one bar. Take the necessary time to slow the tempo down to the point when the 16-notes are approximately reduced to quarters.
