## FLØY

Musikken er flyktig. Den flyter, har retning, kan utgjøre en avdeling, flanke, gruppe, flokk.

Det musikalske materialet bygger delvis på fragmenter av fløytenes ulike lydkvaliteter og -spesialiteter. Spilt samtidig kan enkelte av disse gi assosiasjoner f.eks. til vingeslag.

*The direct translation of the norwegian title FLØY is in english "flew".*

*The music is fleeting. It flows, has direction, makes up a unit, flank, group, flock.*

*The musical material is partly based on fragments of the flute's various sound qualities and - characteristics. Performed together, some may associate with wing strokes.*

*Flute in english is in norwegian called "fløyte". The title of the piece is made of the first part/bit of this word.*

### Inndeling og fleksibilitet

FLØY har en varighet på totalt 10-11 min.

Det åpnes for flere og fleksible framføringsalternativer. Det er mulig å framføre enkeltstående deler:

**I** fram til bokstav B = 3 min. (Avslutt bass-fløyte samtidig og med samme rytmiske mønster som de andre).

**II** fra B - D = ca. 3 min.

**III** fra D og til og med slutt = ca. 5 min. (Alternativt kan delen avsluttes på t.o.m. 1'er i takt 171 og deretter pause i resten av takten).

### *Multiple and flexible possibilities*

*FLØY has a total duration of 10-11 min.*

*It is possible to solely individual parts:*

*I up to letter B = 3 min. (Exit bass flute at the same time and with the same rhythmic pattern as the others).*

*II from B - D = approx. 3 min.*

*III from D and even end = approx. 5 min. (Alternatively, the portion may be terminated at even 1's in beat 171 and then pause for the rest of the beat).*
